

THE BOOK

Praise for PR THERAPY

"...I have been in the public relations business for over 50 years. This is the best book I have seen. It covers every facet of the business that is necessary in order to be successful. Further, the way Robin has sectioned the book is excellent and presents a logical sequence of learning steps..."

—**Howard Boasberg**, Executive Director of the Advertising Icon Museum

"...Clear, therapeutic, and action oriented! PR THERAPY provides excellent advice and how-to from a proven expert in her field..."

—**Alan Flory**, President and CEO of ReDiscover, www.Rediscovermh.org

"...PR THERAPY is a precise, concise, and easy-to-understand prescription for achieving success. With clarity and in plain talk, Robin Blakely has created an ingenious, yet simple plan to guide us through the PR maze. Step-by-step, she outlines realistic methods that produce proven results. Robin's handbook for personal PR know-how is a must read for anyone who wants to take their career from so-so to sensational..."

—**Hazel Dixon-Cooper**, Author of the internationally best-selling *Rotten Day* book series, and *Cosmopolitan* Magazine's *Bedside Astrologer*

"...Finally! PR help that's personal, practical, and practically magic..."

—**Rebecca Forster**, USA Today bestselling novelist and screenwriter

"...Knowing that the quality of your life or business depends on the quality of the questions you ask yourself, Robin certainly offers great questions (and then some) to get anyone moving towards and reaching the business life of their dreams..."

—**Karen Rauch Carter**, author of national bestseller *Move Your Stuff, Change Your Life*

"...Robin Blakely, a public relations pro, has written a brilliant handbook. It's not about "tooting your own horn," but about marketing a message. PR THERAPY banishes fear and insecurity..."

—**Suzette Martinez Standring**, syndicated columnist; author of *The Art of Column Writing: Insider Secrets from Art Buchwald, Dave Barry, Arianna Huffington, Pete Hamill and Other Great Columnists*

"...Ever-entertaining longtime PR guru Robin Blakely puts the fun in marketing fundamentals..."

—**Jamie Novak**, Expert Organizer, Media Personality, and author of the #1 bestseller *1,000 Best Organizing Secrets*

"Highly recommended. Robin Blakely's innovative approach to planning and implementing promotional strategies is on the mark!"

—**Sandra Kitt**, recipient of two Lifetime Achievement Awards from RWA, and national bestselling author

"...Robin Blakely is the real deal—an energetic, revolutionary PR guru—who finally wrote it all down. PR therapy gives you a step by step process and tons of great tips. If you know you or your business needs a shot in the arm but are not quite sure where to begin—start with this book!"

—**Stacy Wolf**, author of *Psychic Living* and *Never Throw Rice at a Pisces*

"...Robin Blakely's passion is helping the rest of us ignite ours to achieve the things we dream. PR Therapy is more than just a handbook for promoting your message — it's all the encouragement, insight and support that Robin offers her clients each and every day. I know... I'm lucky enough to be one."

—**Marybeth Hicks**, columnist for *The Washington Times*; author of *Bringing Up Geeks: How to protect your kid's childhood in a grow-up-too-fast world*
